

# Disclaimer and High-Risk Warning

1. When using any Diversit-e Smart Trade College's products or service offerings, more especially the Smart Online Trader Learning Management Curriculum ("SOT LMS") and services, it is important to take note of the following:
  - 1.1 The services mean the course modules, weekly online coaching events, one-on-one mentoring, Trade Idea- and Analysis Coaching.
    - 1.1.1 The services are for educating online traders and must not be seen as investment-, financial-, or trading advice.
  - 1.2 Neither the Diversit-e Smart Trade College, nor its authorized Resellers, employees, sales executives, representatives, contractors, affiliates, and course presenters are regulated and or registered financial advisors and do not manage any money for investment or trading purposes on behalf of a client.
  - 1.3 Past performances do not guarantee future growth.
  - 1.4 Consult with our preferred broker or an FSCA-regulated broker or financial advisor before investing or executing a trade.
    - 1.4.1 In terms of the South African Financial Advisory and Intermediary Services Act, 37 of 2002 all active trading must be executed through an FSCA-registered Broker. Broker Trading commission and or swap fees apply and vary depending on the Broker you use. It is your responsibility to familiarize yourself with the terms and conditions applicable to the opening and activation of a self-managed trading account including applicable terms and conditions. Diversit-e Smart Trade College, its employees, sales executives, reseller agents, and affiliates shall not be held liable for any loss of data, profits, special and or incidental and or any other damages arising from the use of any of the devices and or course(s) and or live/real trading terminal.
  - 1.5 Trading the Capital/Financial Markets, including but not limited to, Foreign Exchange (FOREX), Contracts for Difference (CFDs), US Stocks CFDs, Commodities, Indices, and Cryptocurrencies carries a high level of risk.
  - 1.6 Never trade with money you cannot afford to lose; you may lose all your money on a single trade. Always apply proper risk management.
  - 1.7 Diversit-e Smart Trade College, its authorized resellers, their employees, sales executives, representatives, affiliates, course presenters, suppliers, and or contractors, do not accept responsibility for any losses and or damages suffered in any way.
    - 1.7.1 The reason for the limitation of liability as set out above is the fact that self-trading calls for a value judgment, over which authorized resellers, their employees, sales executives, representatives, affiliates, and or course presenters have no control.
    - 1.7.2 If a client follows a social trading approach the client does so out of choice and does the same risks apply as with self-trading. No profits can be guaranteed.

- 1.8 Trade Ideas and Analysis Coaching shared on the Telegram SOT Trade Idea- & Analysis Coaching channel are for educational purposes only and should not be seen as recommendations or financial advice. Trade ideas- and analysis coaching will be shared or scheduled as and when opportunities present them and are based on our trading strategy. Always ensure you have your trading strategy and risk management in place before entering trades.
